## Ordering instructions

- Please call the store at 804-598-4021 to place your order. Do NOT leave message on answering machine.
- **A \$10 nonreturnable deposit is required when you place the order. Turkeys, geese and ducks may require \$25 deposit.**
- **You are responsible for orders placed. If you need to cancel, I MUST KNOW a t least 7 days ahead of arrival date. Deposit is not returnable.**
- I have to order poultry in minimums of 5 each. I order large quantities of the popular breeds and you may order whatever number you want. The least popular (those listed as min of 5) you have to order the minimum. If you are only wanting 1 or 2 of a minimum order of 5, I can hold your order and see if anyone else wants to add to your amount.
- Baby chicks need to be picked up as soon as possible after they arrive. We can not hold them more than a week.
- Baby chicks will start arriving mid-March. You may place your order anytime after January 1. I have to order weeks/months ahead in the early spring to start getting chicks in mid-March. After Easter the demand at the hatchery is less and it only takes a week or so to get orders.
- We are not a hatchery and do not ship chicks.
- We are not responsible for survival of chicks once you purchase them.
