- **A \$10 nonreturnable deposit is required when you place the order. Turkeys, geese and ducks may require \$25 deposit.**
- **You are responsible for orders placed. If you need to cancel, I MUST KNOW a t least 7 days ahead of arrival date. Deposit is not returnable.**
- Baby chicks need to be picked up as soon as possible after they arrive. We can not hold them more than a week.
- Baby chicks will start arriving mid-March. You may place your order anytime after January 1. I have to order weeks/months ahead in the early spring to start getting chicks in mid-March. After Easter the demand at the hatchery is less and it only takes a week or so to get orders.
- We are not a hatchery and do not ship chicks.
- We are not responsible for survival of chicks once you purchase them.
